About the Staged Reading Series from Director Allison McDonell Page

To appreciate great plays you don't need line memorization, elaborate staging or complicated sets. All you need is extraordinary material and actors willing to dig deep, listen, and share. In SCT's second year presenting **4Plays:4Days** we found four more exceptional contemporary plays to share with you. These plays are steamy, hilarious, thought-provoking, heart-breaking, eviscerating and beautifully romantic. Thank you to our donors and to Mono County for supporting this staged reading series enabling us to grow our programming in order to enhance the quality of life in The Eastern Sierra through the art of quality theater.

SCT's Mission Statement

We intend to create an artistically adventurous environment that attracts and excites diverse members of the community by providing an expanded understanding of life through the art of quality theatre.

About SCT

Sierra Classic Theatre emphasizes the "classics" (often Pulitzer-Prize or Tony Award-winning plays) because they are well-written, beautiful, thought-provoking works of art and stand alone in their impact.

Sierra Classic Theatre was founded in 1999. While located in Mammoth Lakes, CA, we have also offered shows in the surrounding, Eastern Sierra communities. We are supported with volunteer effort, both on- and off-stage, and our primary financing for our productions is through our annual Murder Mystery dinner (a "local's favorite") in the Fall as well as with our generous donations. SCT is always looking for new members, actors and volunteers. Inquire at our website www.sierraclassictheatre.org or Facebook page.

God of Carnage By Yasmin Reza

STACY CORLESS (Veronica) is proud to be a founding member of SCT. She's acted, directed, written and produced for SCT over the years, and is grateful and beyond thrilled to be part of the twentieth season. Stacy's day job is representing the people of District 5/Mammoth Lakes on the Mono County Board of Supervisors, to which she was recently re-elected for a second term.

MIKE DOSTROW (Michael) is delighted to be in this production of Art as it reminds him of his dear departed mother who was a purveyor of fine art often buying pieces that confounded him. He was last seen in MLRT's *Barefoot in the Park* as "Victor Velasco". He has appeared recently as the lead in Shakespeare's *Macbeth*, "John Hale" in *The Crucible*, and "Anthony" in *Outside Mullingar*. "Art is not what you see, but what you make others see." - Edgar Degas

KEVIN GREEN (Alan) is an outdoor enthusiast and off and on again thespian. He is also co-founder of Mammoth Lakes Yoga Festival. In Mammoth Kevin has appeared in *The Complete Works of William Shakespeare*, *Sleuth* and the staged reading of *Rapture*, *Blister*, *Burn*.

CALIESE LINNASTRUTH (Marianne)

OWEN PAGE (Roland)

TREVOR VAN WINKLE (Stage Manager) moved to Mammoth after graduating from Biola University, having fallen in love with the area while visiting family. Some of his work includes field photographer, staff assistant at MLF, stage manager, & technician for MLRT, and freelance photographer/videographer/post production media specialist. He enjoys running, biking, hiking and writing. He just published the fourth novel of his high-fantasy adventure series *The Gräzland*

LESLEY-ANNE HOXIE (Alice)

ALLISON MCDONELL PAGE (Anna/Director/ Producer) continues to celebrate her love of theater in Mammoth and has recently become Artistic Director at Sierra Classic Theatre. Allison has directed and acted in many SCT productions: *Much Ado About Nothing*, *The Merry Wives of Windsor*, *Twelfth Night*, *Two Gentlemen of Verona*, *Proof*, *August: Osage County*, *Picasso at the Lapin Agile*, *Vanya, Sonia, Masha, and Spike*, *Outside Mullingar*, *Last of the Red Hot Lovers*, and *Summer & Smoke*. At MLRT she directed *Sleuth* and acted in *The Crucible*. Allison has two boys and works as a realtor at Snowcreek Property Company. She would like to thank the casts for their tireless efforts and undaunting enthusiasm.
